DR FRANCES PRENNA JONES **LONDON**

cells, sebum and blackheads. There are also

A Prada-wearing powerhouse, Dr Prenna Jones grades your skin when you arrive at her clinic. Sun worshippers and smokers shouldn't expect more than a C+ but follow her advice and after a few months you could be a straight-A student thanks to an inriguing treatment. One of the highlights is is the black laser peel, in which charcoal paste is painted onto the face then activated with a laser that bounces off the skin, lifting with it the top layer of dead skin

BEST FOR

DR RITA RAKUS LONDON

All brides like to be spoilt, but London's Lip Queen is taking things to the next level with George Telford (Princess Anne's former butler), who is the new front-of-house coordinator at her Knightsbridge Clinic:

IV drips infused with magnolia extract to balance your appetite and calm nerves (handy for pre-wedding jitters). She's a pro at dealing with pain – or the fear of it – and her office is decked out with diversions, including multi-coloured stress-ball teddies, ice rollers to take down bruising and a selfie station, where you can capture the new, improved you on the way out. THE LOWDOWN Black laser peel, £205; Botox, from £255; fillers, from £450 (020 7499 3848; drfrancesprennajones.com).

DR BERNARD HAYOT LONDON

by a warm thermal mask that opens pores dry lips a kissable shine with superficial blackheads and even small cysts, followed than a normal facial, it involves a light dermatological cleansing. Far more efficient his excellent nurse, Bibi Lignan, for deep much.
